## OUR MISSION

We, the family of St. Dominic Parish, come together as a Roman Catholic community by celebrating the Eucharist as the center of our faith.

- We welcome Jesus Christ into our lives and give witness to His way of life
- Inspired and guided by the Holy Spirit, we strive to be a warm, inviting, welcoming, and caring community of people, filled with Faith, Hope and Love

Dear St. Dominic parishioners,

Over the last few months, Dan Eddingfield of Field Development Consultants (FDC), has been helping us assess the state of the parish and identify the pressing needs and concerns of the parishioners. He met with over sixty parishioners in casual conversation and focus group discussions.

In his letter to me, he reported a few “key” elements that surfaced consistently. “St. Dominic is a wonderful faith community! While our parish has some ‘needs’ – overall we are in good financial stead. Our parish’s unique administrative model works well and should be fostered for as long as possible. The St. Dominic community is committed to both the short and the long-term health of our Church and School.” This did not surprise me.

There are three major concerns that surfaced. First of all, nearly every participant mentioned the unique administrative model currently employed at St. Dominic and how well it seems to be working (the partnering of duties with Deacon Mark). This model is unique to St. Dominic and the wish is that it will continue as long as possible. The participants felt there was a need for me, Fr. Chris and Deacon Mark to develop a succession plan allowing for the unique administrative model to continue after my tenure and hopefully allow Fr. Chris and Deacon Mark to remain at St. Dominic.

The second major concern was the need for St. Dominic to become more attractive to younger families, especially as the parishioner base is aging.

A third major concern was the overall direction of the school and its future. The school is universally viewed as being a huge asset to St. Dominic.

Here are some of the other issues that were discussed. There was consensus that, given the age of our Church air conditioning units, they need to be continually monitored and maintained. There was consensus that our school should move toward air conditioning and move to being fully ADA compliant. Our parking lot needs leveling in some areas and repaving. We do not need to replace the pews, but they need a good cleaning. We need to continue to work out the kinks with the sound system.

As a staff, we will be addressing these concerns. Should you like to share your personal input and feedback, please email me directly at [jimwalsh@stdominicedelhi.org](mailto:jimwalsh@stdominicedelhi.org).

Fr. Jim
