ADOPT-A-STUDENT TUITION ASSISTANCE PROGRAM

The St. Dominic Adopt-A-Student Tuition Assistance Program has helped many families attend our exceptional school that may not have been able to afford the full cost of tuition. We have set our tuition rate for the 2023-2024 school year at \$3,600.00, net of any parish scholarship, etc. As in the past, we welcome any monetary gift to the program, however, we have established gift levels as described below for those that wish to sponsor a student:

Platinum Level Gift of \$3,600.00
 Sponsors a student for an entire school year
 Gold Level Gift of \$2,700.00
 Sponsors a student for $\frac{3}{4}$ of the school year
 Silver Level Gift of \$1,800.00
 Sponsors a student for $\frac{1}{2}$ of the school year
 Bronze Level Gift of \$900.00
 Sponsors a student for $\frac{1}{4}$ of the school year

Please consider a contribution to this vital program by participating in any of the levels described above, or please feel free to contribute any amount you are able. For additional information, or to make a contribution, please contact the parish business manager, Charlie DeZarn at 513-471-7741, ext. 417. FR. BEN'S COLUMN

Ascension Sunday

It seems to me that "after" the coronavirus, people have been taking stock of what is important in their lives, what is worthwhile and what might be things they can let go. For some, after missing Mass for so long, people are tempted to think: Is it really that important? Does it really matter if I go or not? Can't I just pray at home, or on a hill, in the bog? And Catholic school: Can we afford it? Is it that essential? People are redefining their priorities.

Last year, I saw a beautiful event take place, although it didn't start out that way. Sometime ago, a man died alone in his small apartment. He didn't have much and had lost touch with his family years before he died. His body was discovered a few weeks after his death. The police searched his few possessions and came up with a name but that was about all. Interestingly, the man had some Elder High School clothing and a few Elder items. The police department contacted the administration at Elder and asked if this man might have been a student there in the past. After searching their school records, they came up with a match. This man was indeed an Elder grad, in the late 1960s.

I guess some calls went out and the Elder alums took charge. They made calls and gathered the funds, paid for the casket and funeral, bought a grave plot, arranged, not only for a priest but for Fr. Westerhoff, who was teaching at Elder in the 1960s, to celebrate the funeral liturgy. The morning of the funeral, there must have been fifty Elder grads gathered around that gravesite praying for one of their own. Now this man is buried at Our Lady of Victory cemetery. Bleed purple, pray purple, purple through and through.

Being raised and taught in the Catholic faith is not primarily about knowledge and information. Faith is about being formed in your very character, your heart, your soul, as well as your mind. Doing the right thing is a "way" of living that comes from within a person, and it is this type of man or woman, that makes a difference in the lives of others and in the world. Even though it comes from within, it is placed and nurtured there by a community of faith that sees God as the source of all blessings and the individual as a graced gift to be molded and shaped. This is what communities of faith do.

As He ascended to the Father, Jesus said to His disciples, "Go into the world and make disciples of all people." We, the Church, have done that for centuries – does it matter? Should we still bother? Will it make any difference?

It made a difference in the lives of the men who stood around that grave that day. They were there because of the character that was formed in them by a faith they received in families, in schools, in parishes, a gift passed on from others. Is it worth the bother? The time, resources, the effort? Damn right it is! It's worth everything!
