SAFEPARISH***Training due July 21, 2023***

The Archdiocese of Cincinnati, in keeping with its policies, has completed the five-year revision of the Decree on Child Protection. The revised Decree is available for download and acknowledgment on the SafeParish website. Each user with a SafeParish account will need to download, acknowledge to have read, and agree to abide by the requirements of the revised Decree. If this is not completed within 30 days of the promulgation of the Decree by the Archbishop, the user's SafeParish account will show as pending until the user completes the acknowledgement. Users with pending SafeParish accounts are not permitted to work or volunteer with youth until they have met all the child protection requirements and their SafeParish account is approved.

All registered SafeParish users should have received an email with the 2nd quarter training video. The training video must be completed by July 21 for you to remain active and in compliance. If you still have not completed the 1st quarter training video, please complete that one also. If you did not get the email, check your spam, or junk mail. You can also sign into your account at www.aocsaferenvironment.org. Go to the Training Tab and click on the "Due" link to see which bulletins are due and their due date. FR. BEN'S COLUMN

What kind of soil am I?

I was very fortunate when I first came to the United States. While I was studying at the University of Dayton I was invited to stay at a rectory in Dayton. The deal was that I would help with weekend and weekday Masses and I would receive board and lodging. That's not the reason I was fortunate. I was fortunate because the pastor there was a great priest. He was hospitable, kind, generous and a very hard worker. Gradually, he involved me in the life of the parish, teaching CCD classes, adult education classes, hearing Confessions and celebrating Baptisms. The real jewel was, that in the evenings, after he had worked on his homily for the Sunday Masses (which he did every evening), we would sit and have a drink together and chat about the day, the priesthood, the church, parish life, what I was studying and so much more. This was my life for about two years. I learned how to be a parish priest from talking with and watching that good man. He made me feel welcome here and he helped form me into a better priest.

When I moved to Cincinnati to teach at the seminary, out of the blue, I received a phone call from a priest I did not know and had never met. He was from the Diocese of Covington. He told me that a mutual friend had told him how I was moving to Cincinnati and he wanted to invite me out to lunch to welcome me to this part of the country. That was twenty-three years ago, and that priest is one of my closest friends today. Once again, a very gracious and honorable priest.

It is amazing that in a garden of weeds many of us think we are the flower! We can often identify the hardships, negativity, impositions, and grief that is caused to us by others. It seems to us that sometimes they reach up and strangle us, they undermine us, they choke the life out of us, they soak up all the life and nourishment around us. It can seem that some people can make our life difficult, cruel, harsh, and full of sorrow and regrets. It is true that such people can exist in families, in marriages, in workplaces, in communities, in monasteries, and even in parishes. They are the weeds, the hard ground, the crows that peck and pick. They can make life pitiful and arid. And it is true, there are some people in our lives who are like this. Although, we often fail to recognize if we, ourselves, might be weeds, or harsh ground, or pecking birds, in the lives of others. But we don't have to be like the weeds.

Many of us are fortunate enough to have experienced the opposite; we can see the good ground around us in the kindness, virtue, generosity, grace, and goodness of others. Every day, throughout our family of parishes, families, marriages, communities, provide good ground for our people to find life and love, for our children to find models for life, for people to find a place to be. I suppose that all of us are both seed, looking for a good place to grow, and ground, where others seek nourishment and fruitfulness. In that case, let's choose to grow and produce abundant fruit; let's choose to be fruitful ground for others to find life.

Four things: One, we should be careful that as we complain about the weeds in our lives, we don't become weeds and

choke the life out of others and make the soil they live in dry, arid, and barren. Two, don't fail to recognize the flowers that are around us, and don't forget to thank them for all the beauty they bring into our lives. Three, don't fail to be a flower even in a garden of weeds. Four, good ground produces good fruit. Everyday our children look to us for models of leadership, kindness, love, and faith. If we don't plant those seeds, what seeds are we planting?

CHILDREN'S LITURGY OF THE WORD (CLOW)

We are having Children's Liturgy of the Word (CLOW) every Sunday through the summer at our 9:30 a.m. Mass and your children are invited to attend! Children's Liturgy of the Word (CLOW)

is a ministry for the young children of the parish. During Mass, children in kindergarten through 2nd grade are dismissed to the Gathering Place for a learning experience, on their level, that mirrors the Scripture readings, Creed and Prayers of the Faithful. The children then return to their families in church to celebrate the remainder of the Mass. Children learn so much about their faith when they attend Mass with their family every Sunday. CLOW helps them grow in their faith even more and to better understand God's Word in the Scriptures. Please consider bringing your children to the 9:30 a.m. Mass so they can participate in CLOW with their friends and continue to grow in their faith all summer long!

**ST. DOMINIC PARISH SCHOOL OF RELIGION (PSR)
REGISTRATION 2023/2024**

The mission of the St. Dominic Parish Community is the same as the mission of the greater Church – to bring about a connection with and response to God's love in our world – and truly live out the Reign of God. We do this through the Sacraments, Scripture, Prayer and our interconnections with others – the family, the Parish community of Faith and the larger community and world.

We welcome all registered parish families whose children attend public schools to attend our Parish School of Religion (PSR). The PSR staff and teachers are here to assist parents in their task of raising their children in the Faith.

Instruction in PSR is offered during the school year (September-May) for children in grades 1-8. There is special emphasis on the sacramental years, usually 2nd, 7th and 8th grades, with added activities for parents and candidates.

Registration for the 2023/2024 school year is online. All registrations must be submitted by August 30. Access the online registration form via the Parish Website (www.stdominichelhi.org). Click on the PSR Registration button on the left side. There will be no fee for PSR for the 2023/2024 school year.

The first day of class for all grades (1-8) is Sunday, September 10 at 10:30 a.m.

PSR calendars for grades 1-8 will be available online in August. If you have any questions about PSR, you can contact Megan Mattei, PSR Coordinator at mmattei@stdominichelhi.org or 865-607-2070.
